

BUCKINGHAMSHIRE

Railway Rivals Map BK

Draft 1- 4/1/2000.

Designed and drawn by David Oya, for use with Railway Rivals, designed by David Watts. Map suggested by Fiona Campbell. And yes, I *do* know that Thames and Tring aren't in Buckinghamshire, but I needed to draft them in to make the map work better. I'm sure you understand.

This map is designed for five or six players, although four or seven can probably be accommodated.

Start Towns ...

There are two options:

A. All players start from Aylesbury.

B. Two players start from Newport Pagnell two from Iver Heath and one each from Maidenhead and Marsh Gibbon.
